SUMMARY

Passionate Java Full-Stack Developer with a strong academic foundation in Java Programming, Data Structures, and Software Engineering Principles. Excellent problem solving skills and a collaborative team player with a passion for learning new technologies. Looking for an entry-level role to apply my expertise in Java, Spring Boot, and React.js to build innovative and efficient web applications.

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, SQL, HTML5, CSS3

Frameworks & Technologies: JDBC, Java Servlets, Spring Boot, Spring Core, Spring MVC, React.js, JSON

Databases: MySQL, MongoDB

Tools: Git, GitHub, IntelliJ IDEA, Eclipse, VS Code

PROJECTS

TourWeave – Collaborative Travel Planning Platform

Dec 2025 – March 2026

Full Stack Project

JavaScript, Supabase, React, PostgreSQL, EmailJS

Developed a full-stack web application with a RESTful API backend using Spring Boot and Hibernate for data persistence

Implemented user authentication and authorization features using Spring Security

Utilized MySQL database to manage product inventory, user profiles, and order history efficiently

Designed and built the dynamic front-end user interface using React.js and Bootstrap

TaskFlow - Task Management System

June 2025 – Sept 2025

Agile Task Manager

Java, Spring Boot, React, MySQL

Developed a full-stack task management application featuring CRUD operations for projects, tasks, and user assignments

Applied Spring Boot to create a scalable backend with RESTful APIs for seamless frontend-backend communication

Built an interactive drag-and-drop user interface using React with state management handled by Context API or Redux

Utilized Hibernate ORM to map Java objects to MySQL database tables, ensuring efficient data management and integrity

EDUCATION

Vellore Institute of Technology

Bhopal, MP

B.Tech in Computer Science and Engineering – CGPA: 8.97/10

Sept 2023 – May 2027

Maharishi Vidya Mandir School

Sultanpur, UP

Class XII – Percentage: 89%

April 2021 – May 2023

Gurucharan Kaur Public School

Sultanpur, UP

Class X – Percentage: 83.6%

April 2009 – April 2021

CERTIFICATIONS

Technology Job Simulation – Deloitte

Graph Theory Programming – AlgoUniversity

Introduction to Machine Learning – NPTEL

Problem Solving – HackerRank
